## International **S**tudent **D**esign **W**orkshop

### ■ Call for participants !

We sincerely invite you join this workshop that it will provide you participants a good chance for inspiring a worldwide view on design and strong connection with people from different countries! We are truly proud of being the only professional organization for hosting such kind of design workshop with a rather long history. Get involved in the workshops and let's make this a venue where new things happen in our profession, the Industrial Design.
